	Case Report # <b>2025-00000834</b>

**NARRATIVE**

The following report is a summary of the events that occurred under the correlating case number. I have paraphrased conversations and do not include an exact sequencing of events. For any direct quotes, or an exact sequence of events I would refer the reader to my Body-worn Video Camera as it was recording at the time of this incident.

I, Officer Hearne (MPD #1235), am a fully commissioned and sworn Police officer in the State of Washington, currently assigned to the Monroe Police Department. On 01/15/2025, I was wearing an authorized Monroe Police Department uniform, complete with a black outer carrier ballistic vest, and a gun belt, readily identifiable as a law enforcement officer. I was driving an unmarked Monroe Police Department vehicle equipped with emergency lights and siren. I was also equipped with an issued body worn camera.

At approximately 2219 hours, I was on routine patrol on eastbound SR2 when I observed a dark colored Dodge Magnum idling at the exit of the Red Barn Shell gas station, located at 19721 SR2. I entered the gas station and passed the Dodge to get a license plate that read WA #CJK5043. I saw the driver of the vehicle, a white male in his early twenties. The vehicle then quickly exited the parking lot and continued eastbound on Woods Creek Rd. I ran the plate like I normally do throughout my shift to look for stolen vehicles, warrant subjects, suspended licenses and registration violations. I saw the registered owner, Braydon M. Gwyn (DOB 04/19/2004), had a suspended license in the third degree. I checked Braydon's DOL photo and saw that it matched the driver of the vehicle. I turned around and got behind the vehicle as we approached Oak St. It was apparent to me that the vehicle spontaneously began accelerating above the speed limit and appeared to be attempting to get away. The vehicle took a right turn onto Oak St at a high rate of speed. I activated emergency red and blue lights to initiate a traffic stop and the Dodge continued to accelerate at a reckless speed of approximately 60-65 MPH in a posted 25 MPH zone. When I activated my emergency equipment, the weather was slightly foggy which enhanced the red and blue lights as the light reflected into the surrounding area, easily seen by any vehicle on Oak St. As we approached the intersection of Oak St and Old Owen Rd, the Dodge failed to stop at the stop sign and proceeded to take a left turn onto eastbound Old Owen Rd. The Dodge then took off at a high rate of speed again going approximately 70 MPH in a posted 25 MPH zone. I advised dispatch that the vehicle had taken off and I was attempting to catch up to it to deploy StarChase. StarChase is an external GPS tracking device typically deployed after a crime has been committed (hot pursuit). As I began to close the gap between my patrol car and the Dodge, it began to slow down near the 20800 BLK of Calhoun Rd. The Dodge then slowed down and pulled into the driveway of a trailer home located at 20729 Calhoun Rd. I advised dispatch of my location and waited for additional units to conduct a high-risk vehicle stop.

Once additional units arrived on scene I called out to the driver of the vehicle and told him to step out with his hands up. The driver complied and exited the vehicle with his hands up. I directed the driver to continue to walk towards the back of my patrol vehicle and he complied. Once the driver was at the back of my vehicle, I placed handcuffs on him and detained him. Officers then began to clear the vehicle while I escorted the driver to the back of another patrol car in a more secure area. I read the driver his rights off my department issued Miranda card. The driver stated he understood his rights and said he did not want to talk. I did not ask the driver any investigatory questions beyond this point.

This report was submitted from an electronic device owned, issued, or maintained by a law enforcement agency using my user ID and password. I certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

**NARRATIVE**

Monroe Police Department                      Officer G. Escalante #1237

On 01/15/2025 at approximately 2218 hours, I was on uniformed patrol, in a marked patrol vehicle in the city of Monroe in Snohomish County. I am a commissioned Officer of the City of Monroe. A portion of this incident was recorded by my department issued body worn camera.

I heard Officer Hearne state there was a vehicle taking off on him on Old Owen Rd SE from Oaks Street in Monroe. I advised over the radio that I was traveling southbound on Old Owen Rd SE and asked Officer Hearne what his location was. Officer Hearne advised he was on Calhoun Rd SE. I looked at the map on my Mobile Data Computer (MDC), as sometimes officer's locations are shown on the map. I located Officer Hearne's location near the 20800 block of Calhoun Rd SE. Officer Larsen and Sergeant Springer were already on scene when I arrived, and Officer Larsen stated over the radio it was a high risk stop. I observed the vehicle was parked in what appeared to be a driveway next to a manufactured home. Officer Hearne had a male detained in handcuffs. Since it was unknown if there were any more occupants in the vehicle, I kept watch on the driver side of the vehicle to detect movement. I heard Officer Hearne say the male's brother was inside the house.

Officer Larsen made a couple announcements asking for any occupants inside the vehicle to exit the vehicle with their hands up. During this time, I observed no movement in the vehicle. As we were going to clear the vehicle, I retrieved the shield from my patrol vehicle. Officer Larsen took the shield, and Sergeant Springer and I moved up with him on the driver's side of the vehicle. We did not see any other occupants inside the vehicle. Once the vehicle was cleared, I went back to Officer Hearne and the male, later identified as Braydon M. Gwyn. I assisted Officer Hearne by getting control of Gwyn's arm as Officer Hearne searched him. I noticed a male come out of the house towards us and Officer Larsen told him to get back inside the house. After Officer Hearne searched Gwyn, he placed him in his patrol vehicle.

Officer Larsen and I then went to talk to the male inside the house. He identified himself as Sejad Zach Aledani. Aledani said he was Gwyn's brother. Aledani had a female on Facetime and said that was their mother, later identified as Crystal Pool. Aledani stated the vehicle in the driveway was his brothers and said he had moved in about a month ago.

We spoke with Officer Hearne and he asked if they had said what Gwyn was arrested for about a month ago. We said no but told him we could ask. I returned to speak with Aledani and Pool. Pool stated Gwyn had not been telling her or her husband what was going on. She stated she believed Gwyn had been arrested for driving while his license was suspended. Pool stated Gwyn told her he wasn't going to stop driving. They both provided me their contact information and Pool told me she lived out of state. I provided their contact information to Officer Hearne.

Nothing further to report.

## Synopsis / PC for Arrest (Include all elements of the crimes, date of violation, and location of crimes)

The following report is a summary of the events that occurred under the correlating case number. I have paraphrased conversations and do not include an exact sequencing of events. For any direct quotes, or an exact sequence of events I would refer the reader to my Body-worn Video Camera as it was recording at the time of this incident.

I, Officer Hearne (MPD #1235), am a fully commissioned and sworn Police officer in the State of Washington, currently assigned to the Monroe Police Department. On 01/15/2025, I was wearing an authorized Monroe Police Department uniform, complete with a black outer carrier ballistic vest, and a gun belt, readily identifiable as a law enforcement officer. I was driving an unmarked Monroe Police Department vehicle equipped with emergency lights and siren. I was also equipped with an issued body worn camera.

At approximately 2219 hours, I was on routine patrol on eastbound SR2 when I observed a dark colored Dodge Magnum idling at the exit of the Red Barn Shell gas station, located at 19721 SR2. I entered the gas station and passed the Dodge to get a license plate that read WA #CJK5043. I saw the driver of the vehicle, a white male in his early twenties. The vehicle then quickly exited the parking lot and continued eastbound on Woods Creek Rd. I ran the plate like I normally do throughout my shift to look for stolen vehicles, warrant subjects, suspended licenses and registration violations. I saw the registered owner, Braydon M. Gwyn (DOB 04/19/2004), had a suspended license in the third degree. I checked Braydon's DOL photo and saw that it matched the driver of the vehicle. I turned around and got behind the vehicle as we approached Oak St. It was apparent to me that the vehicle spontaneously began accelerating above the speed limit and appeared to be attempting to get away. The vehicle took a right turn onto Oak St at a high rate of speed. I activated emergency red and blue lights to initiate a traffic stop and the Dodge continued to accelerate at a reckless speed of approximately 60-65 MPH in a posted 25 MPH zone. When I activated my emergency equipment, the weather was slightly foggy which enhanced the red and blue lights as the light reflected into the surrounding area, easily seen by any vehicle on Oak St. As we approached the intersection of Oak St and Old Owen Rd, the Dodge failed to stop at the stop sign and proceeded to take a left turn onto eastbound Old Owen Rd. The Dodge then took off at a high rate of speed again going approximately 70 MPH in a posted 25 MPH zone. I advised dispatch that the vehicle had taken off and I was attempting to catch up to it to deploy StarChase. StarChase is an external GPS tracking device typically deployed after a crime has been committed (hot pursuit). As I began to close the gap between my patrol car and the Dodge, it began to slow down near the 20800 BLK of Calhoun Rd. The Dodge then slowed down and pulled into the driveway of a trailer home located at 20729 Calhoun Rd. I advised dispatch of my location and waited for additional units to conduct a high-risk vehicle stop.

Once additional units arrived on scene I called out to the driver of the vehicle and told him to step out with his hands up. The driver complied and exited the vehicle with his hands up. I directed the driver to continue to walk towards the back of my patrol vehicle and he complied. Once the driver was at the back of my vehicle, I placed handcuffs on him and detained him. Officers then began to clear the vehicle while I escorted the driver to the back of another patrol car in a more secure area. I read the driver his rights off my department issued Miranda card. The driver stated he understood his rights and said he did not want to talk. I did not ask the driver any investigatory questions beyond this point.

**(Include all elements of the crimes, date of violation, and location of crimes)**
