## NARRATIVE

### In Summary:

On Tuesday, 01/28/2025 at 1758 hours, I, Ofc. Farfan, and Ofc. Monaco, responded to Target (3885 E. Main St.) for a suspicious person report. While enroute I made contact with the complainant, identified as [REDACTED] who works for Target Loss Prevention. [REDACTED] stated that he observed a F/B subject, wearing a red top, black jacket and black pants, acting suspicious, loading merchandise into their cart while looking for cameras. Upon arrival, myself and Ofc. Monaco entered the Target from the west side entrance. While attempting to locate the F/B subject, [REDACTED] apprehended her exiting the east side. The F/B subject was identified as Audrey M. Brown. I observed Audrey outside the first set of exit doors, with a Target cart full of merchandise in plastic Target bags. Myself, Ofc. Monaco and [REDACTED] escorted Audrey to the loss prevention office. My Axon BWC was activated during this incident.

I spoke with [REDACTED] first. [REDACTED] stated that he was walking around the store when he observed Audrey near the cleaning section, with an empty cardboard box in her cart. [REDACTED] stated that he found this suspicious, since the box could be used to conceal items. [REDACTED] stated that he watched as Audrey walked around the store placing miscellaneous merchandise in the cart. [REDACTED] stated that Audrey then pushed the cart towards the east side exit and entered the closed and unoccupied self checkout. [REDACTED] stated that Audrey grabbed several plastic Target bags and walked her cart to the back of the store. [REDACTED] stated that Audrey entered the candle aisle, looked around for cameras, and began placing items from her cart into plastic Target bags. [REDACTED] stated that Audrey then pushed the cart, passed the last point of sale, and exited through the first set of doors on the east side exit before being apprehended. [REDACTED] stated that Target would like to pursue charges for retail theft.

I attempted to speak with Audrey about the incident. Audrey was adamant that it was not theft because she never left the store. Audrey asked to pay for the items instead of being arrested. I asked Audrey if she planned on paying for the items before walking out of the store and she stated that, "if I got caught, then yes".

Audrey was advised that she was being placed under arrest for retail theft. Audrey was placed in handcuffs which were double locked and checked for fit. Audrey was searched incident to arrest and nothing illicit in nature was found. [REDACTED] provided me with a receipt for all the stolen items. I provided [REDACTED] with an Evidence.com community request so that he may upload the surveillance footage of this incident. Audrey was then walked out of the store and placed into the rear of Ofc. Monaco's patrol vehicle. Ofc. Monaco transported Audrey to the police department as I followed.

Upon arrival, Audrey was taken into our booking area. I read Audrey her Miranda Rights and asked if she would be willing to answer any questions. Audrey stated, "I guess" and when asked if that meant yes she stated, "Yes." I asked Audrey if she planned on going to Target and stealing merchandise to which she replied no. I asked Audrey why she changed her mind and she stated that she noticed the self checkout was unoccupied and in the spur of a

## NARRATIVE (continuation)

moment she decided to exit the store without paying for the merchandise. Audrey stated that she had the money to pay for the items and she does not know why she decided to steal them instead.

I reviewed the receipt documenting the stolen merchandise. Listed on the receipt were clothing, healthcare, furniture, household goods, cleaning supplies, and a plant, all together valued at a total of \$749.23 USD pretax. Due to the amount stolen, I called the Kane County Felony Hotline to screen a felony retail charge. I spoke with ASA Partida and informed him of the facts of this case. ASA Partida approved one count of felony retail theft (720 ILCS 5/16-25(a)(1) class 3 felony).

Audrey was booked on the above listed charge. Audrey was issued a court date of 03/06/2025 at 0900 hours at the Kane County Judicial Center (37W777 IL-38, St. Charles, IL 60174).

Audrey was provided with all applicable paperwork and released from custody.

While in booking, Audrey was provided the opportunity to make telephone calls and she made one call.

██████████ uploaded the surveillance footage to Evidence.com. While reviewing the surveillance footage I observed the following:

- At 1748 hours, Audrey is observed entering the unoccupied self checkout with a cart full of merchandise and grabbing an unknown amount of Target plastic bags.
- At 1755 hours, Audrey is observed entering the candle aisle, and begins placing merchandise from her cart into the plastic Target bags.
- At 1801 hours, Audrey is observed folding a blanket, that was in her cart, before placing that into a plastic Target bag as well.
- At 1804 hours, Audrey is observed in a different aisle, continuing to place items from her cart into plastic Target shopping bags.
- At 1813 hours, Audrey is observed walking past the last point of sale, and exiting with the cart full of merchandise, from the east side exit before being apprehended by ██████████ myself and Ofc. Monaco.
