NARRATIVE FOR OFFICER MICHAEL T CAPPELLO

Ref: 25-24-AR

Entered: 02/23/2025 @ 0430 Entry ID: 0415
Modified: 02/28/2025 @ 1221 Modified ID: 0110
Approved: 02/26/2025 @ 0802 Approval ID: 0110

On 02/23/2025 at approximately 0203 hours, I, PO Cappello, in a marked police vehicle #3 was parked on Albert E. Clifton northbound, just south of the intersection of Route 88. I had my cruise lights activated (solid red and blue lights) due to the heavy bar crowd leaving the Shore House Bar and Grill (2114 Route 88) which is directly across from my position. While parked, I observed a black SUV driving through the parking lot of the Shore House and activate its emergency lights (red and blue strobe) and its emergency siren. Unsure if the vehicle was attempting to get my attention, I crossed Route 88 onto Florence Avenue, which is the ingress/egress for the Shore House parking lot. I pulled up alongside the vehicle, adjacent to the driver's side, and observed a white male driver, later identified as Carmen Veneziano. I lowered my window, with my cruise lights still active, and attempted to verbally make contact with the driver while waving out the window, to ask if there was an emergency or if my assistance was needed. The driver, with his window down, looked at me, ignored my presence, and turned right onto Route 88 westbound.

I then relayed the vehicle registration, NJ: D46KVZ, to Police Dispatch, who advised that the vehicle did not come back on file. I deactivated my cruise lights, turned around on Florence Avenue and turned right onto Route 88 westbound. I observed the vehicle, a black Chevrolet Tahoe, turn left from Route 88 onto Maplewood Avenue. Maplewood Avenue lets out to either Central Avenue or Oakwood Road, which both lead back to Route 88. Continuing westbound, I turned my vehicle around on Route 88 and was now traveling eastbound. I turned right onto Central Avenue, where PO Tuzzolino in his marked police vehicle #2 was parked. Since I did not see the suspect vehicle on Central Avenue, I turned around once more, now behind PO Tuzzolino's vehicle, and we both turned right onto Route 88 eastbound. While on Route 88, PO Tuzzolino and I both turned right onto Oakwood Rd, and observed the suspect vehicle driving towards our direction. As PO Tuzzolino passed the vehicle, he heard the driver say "fucking asshole" out the window as he passed. As the vehicle was stopping at the intersection of Oakwood Rd and Route 88, I again pulled alongside, activated my cruise lights, and attempted to get the attention of the driver. The driver looked at me, with his window down, and turned right onto Route 88 eastbound, again ignoring my presence. I then turned around once more, and followed the suspect vehicle onto Route 88 eastbound.

The vehicle continued on Route 88 eastbound approaching the intersection of Beaverdam Road, which is controlled by a traffic signal which was red. The vehicle then rolled through the red light, turning right onto Beaverdam Road southbound. While on Beaverdam Road southbound, the vehicle then pulled over onto the righthand shoulder of the roadway, in the area of Christopher Road. I then pulled behind the vehicle, assuming he was stopping, however, he pulled back into the roadway and continued on Beaverdam southbound. While driving on Beaverdam southbound, the vehicle was failing to maintain its lane and drove onto the right-hand shoulder on several occasions. The vehicle then stopped on Beaverdam Road southbound, at the intersection of Bridge Avenue, which is controlled by a traffic signal which was red. As the signal turned green, the vehicle continued straight through the intersection but drove directly into the left turn lane of Beaverdam Road northbound. I continued behind the vehicle and initiated a motor vehicle stop on Beaverdam Road near the intersection of Riviera Parkway.

I exited my vehicle, approached the driver's side window, and made contact with the operator, Carmen Veneziano. Carmen handed me a Law Enforcement Identification, which showed that he is the Chief of Police at Totowa Police Department. I then asked for his license and registration as well, which he provided. The vehicle was registered to the Totowa Police Department. Carmen had a heavy odor of alcoholic beverage emanating from his breath, his speech was

heavily slurred, and his eyes were red and watery. PO Tuzzolino arrived on scene, followed shortly thereafter by OIC/Cpl Fennessy.

I then had Carmen exit his vehicle and walk to the rear of his vehicle to conduct Standardized Field Sobriety Tests. When asked how much he had drank tonight, Carmen stated he had a "couple of drinks." While speaking with Carmen, he was swaying and his feet were wide apart for balance, which he was having difficulty maintaining.

One Leg Stand.

Carmen was instructed to stand in the instructional position (feet together and hands down by his side) while I explained the test. I informed Carmen that I would provide the instructions, demonstrate, give him an opportunity to ask questions, and not to start until told to do so, which he nodded that he understood. While explaining the test, Carmen stepped forward to maintain his balance. I then restated the instructions once more. While explaining, Carmen lifted his left foot and was instructed again not to start until told to do so. I then finished the instructions, and Carmen was told to begin. Start test. Carmen lifted his left foot twice and quickly placed it down. He then lifted his left foot once more, held it for a moment, leaned to the right and placed it back down. I then offered to give the instructions once more, which Carmen agreed. After explaining the test once more, Carmen was told to begin. Carmen lifted his left foot twice and again quickly placed it down. Carmen lifted his left foot again and held it for a moment and then placed it back down. I instructed Carmen to count while he lifted his foot, and Carmen lifted his left foot twice more, quickly placing it down each time. Carmen lifted his left foot once more, and stepped backwards to the right, almost losing his balance. Test terminated.

Walk and Turn.

Carmen was instructed to stand in the instructional position (right foot in front of his left, heel to toe, with his hands down by his side) while I explained the test. I explained the test, demonstrated, and provided Carmen with an opportunity to ask questions. Carmen stated he understood. Begin test. Carmen took two steps heel to toe. Carmen's third step was not heel to toe. Carmen's fourth step was slightly off to the right, not in a straight line. Carmen's fifth step was not heel to toe. Carmen's sixth step was heel to toe. Carmen's seventh step was not heel to toe. Carmen took his eighth step heel to toe and turned around in a manner which was not how I had explained. Carmen then stated, "nine." Carmen did not count any of his steps aloud and was reminded to count each step aloud. Carmen then took his return steps. Carmen's first step was not heel to toe. Carmen's second step was heel to toe. On Carmen's third step, he stepped far off to the left with his left foot to maintain his balance. Carmen then took steps four through nine, all of which were not heel to toe, and did not count any step aloud. End of test.

At this point, I conducted Horizontal Gaze Nystagmus which produced 6 out of 6 hits for nystagmus. I observed a lack of smooth pursuit in both eyes. Both eyes showed a visible nystagmus at maximum deviation, and nystagmus prior to reaching a 45-degree angle. Prior to starting the test Carmen stated he did not have any issues with his eyes.

At this point I informed Carmen that he would be placed under arrest for Driving While Intoxicated. Carmen was

handcuffed utilizing the double locking mechanism, and his property (a cell phone and key fob) were removed from his person. Carmen was placed in the rear of my marked Police Vehicle #3 and transported to the Point Pleasant Police Department. Cpl Fennessy contacted Chief Picca, who authorized, with Carmen's approval, to have his police vehicle driven to Police Headquarters and secured there. Cpl. Fennessy then transported the vehicle to Police Headquarters while PO Tuzzolino provided both of Carmen's passengers with a ride to their residence on Bay Isle Drive.

At Police Headquarters, Carmen was read his Miranda Rights which he stated he understood. I then read the Standard Statement for Motor Vehicle Operators, and Carmen stated in the affirmative to providing breath samples. A twenty-minute observation period was conducted, all electronics were removed from the room, and I then operated the Alcotest 9510. Carmen provided two valid breath samples, which produced a BAC of 0.241% per the Attorney General's Interim Guidance on the Alcotest 9510. The State of NJ Alcotest Calculator was utilized which indicated that the breath samples were within acceptable tolerance.

Carmen was able to contact a friend, Brian Beagin, who arrived to Police Headquarters shortly after to sign the Potential Liability Warning.

Carmen was issued four motor vehicle summonses for 39:4-88 Failure to Maintain Lane, 39:4-50 Driving While Intoxicated, 39:4-97 Careless Driving, and 39:4-96 Reckless Driving. Carmen was issued a mandatory court date at the Point Pleasant Municipal Court on 4/7/25 at 8:30am.

Carmen was then released to Brian Beagin, who signed the Potential Liability Warning and was provided with his copy. Prior to Carmen's release, his property (cell phone) was returned and he signed the Property Receipt and was also provided with his copy. Carmen's key fob to his vehicle was held at Police Headquarters for a mandatory 12-hour hold.

Last Drink Location Report faxed to NJ ABC.

Miranda Warning Card, Motor Vehicle Summonses, Alcohol Influence Report, Standard Statement for Motor Vehicle Operators, State of NJ Alcotest Calculator, Drinking – Driving Report, Drinking Driver Questionnaire, Potential Liability Warning, Last Drinking Location Report, Last Drink Location Report fax confirmation, and Property Receipt submitted to Records. Copies of Motor Vehicle Summonses submitted to the Municipal Court.
