Description:

On 09/06/2025 at approximately 0133 hrs, I, Ofc Bower, was dispatched to the intersection of Route 59 and McDowell Rd for a single vehicle rollover crash.

Warrenville Ofc Maxwell #120 witnessed the crash and activated his vehicle's recording system. Documented under Warrenville report# WRP25024276. The video will uploaded to NPD Evidence once obtained. The following information is in summary not verbatim. Ofc Maxwell advised he was directly behind the vehicle bearing IL Registration [REDACTED] and witnessed it crash. He advised the vehicle was traveling 60mph in the marked 45mph zone.

Ofc Hammer and Ofc Lahtinen arrived prior to me and spoke with the driver Belongia, Emma K. Belongia was seen by Naperville Paramedics and signed a refusal. Belongia was unable to provide her driver's license or proof of insurance due to the state of the vehicle.

Upon arrival, I reviewed the Warrenville squad car's footage and observed the vehicle bearing IL Registration [REDACTED] driving south on Route 59 approaching Brookdale Rd in lane 1. The vehicle struck the median curb on the driver side (east) and drove onto the grass. Belongia overcorrected, driving into lane 2. The vehicle then struck the median curb a second time. The vehicle rolled and struck the guard rail and Brookdale Rd sign on the opposite side of the roadway (west). The vehicle landed on the hood in the sidewalk.

Next I spoke with Belongia who stated she was not injured. Belongia advised she had been on her phone sending a text message when she crashed her vehicle. She advised she came from a friend's residence and was heading home. While speaking with Belongia, I observed she had red, glassy bloodshot eyes and an odor of alcoholic beverage emanating from her person. Belongia was 18 years old.

Due to the crash and signs of impairment I administered Belongia SFST tests.

I administered Belongia the HGN test, which tests for equal tracking, lack of smooth pursuit, distinct and sustained nystagmus, onset of nystagmus prior to 45 degrees. Refer to the NPD Influence report for the results of her HGN Test.

I then administered the Walk and Turn. Refer to the NPD Influence report for the results of her Walk and Turn.

Next, I administered the One Leg Stand on the flat sidewalk from all potential traffic. Refer to the NPD Influence report for the results of her One Leg Stand.

Next, Belongia was given instructions for a PBT. The test was refused.

Next, Belongia was administered the alphabet test starting from the letter "C as in Charles" and ending at the letter "U as in Union" two times. Belongia advised she was a freshman at college. Refer to the NPD Influence Report for the results of her Alphabet Test.

When questioned, Belongia denied having alcohol. When told her person smelled of alcoholic beverages, Belongia advised she had been around others who consumed alcohol. When advised alcoholic beverages could be smelled on her breath, Belongia stated, "Okay, fair enough".

Due to the crash, the signs of impairment, and my observations of her SFST tests, I placed Belongia into custody for Driving Under the Influence of Alcohol at approximately 0201 hrs . I handcuffed Belongia,

checked for proper fit, and double locked the handcuffs. Before placing Belongia safely in the back of squad car, I searched her with negative results for contraband.

Ofc LaFlamme stayed on scene to observe the tow of the vehicle by NAR.

Upon arrival to the jail, I read Belongia the Warning to Motorist and observed her for the 20-minute observational period before taking her to the breath analyzer (EC/IR-II) located in the jail. Belongia completed the breath test administered by NPD Detn Ofc Delgrosso with an insufficient result followed by a .135 BAC. I submitted the breath test tickets into evidence. Belongia was booked and processed in the NPD Jail and subsequently released after signing Pre-Trial Release paperwork.

See Alcohol Influence Report, body worn camera video and in-car video for further information regarding the timeline. I reviewed by body worn camera footage prior to completing this report.

Belongia was charged with two counts of Driving Under the Influence of Alcohol, one count of Unlawful Possession or Consumption of Alcohol by a Minor or Person Under 21, one count of Operate a Motor Vehicle While Using an Electronic Communication Device, one count of Improper Lane Usage, and one count of Operate Uninsured Motor Vehicle.

Due to the damage to the guard rail and street name sign (Brookdale Rd) a City of Naperville Service Request Damage to City Property form was completed and entered into records. Photographs of damage uploaded to evidence and attached to report.

I have nothing further to report at this time. I request case closure due to arrest.
