Narrative							
Details of Incident (Indicate Means of Identification)							
<p>On the above date and time I was dispatched on a complaint of a suspicious person. The caller described a female with long hair, carrying a bag screaming into her phone "come get me out of here!" The caller (Yuanjia Yin) resides at 3 Windermere Terrace and observed the suspect on the edge of her property. Yin then told dispatch the suspect began walking down West Road.</p> <p>I arrived on West Road and observed a female fitting the description standing in front of a 2012 Honda Accord. I dismounted Patrol 12 and identified myself and asked if the suspect (later identified as Cristina M Then, "CT") was in an accident and if she was alright. CT appeared out of sorts and was not answering my questions directly if at all. I then walked around the front of the Honda and observed the front passenger tire was shredded off and there was heavy front end damage. The radiator was smoking...</p>

and I could smell radiator fluid. I again asked CT if she was in an accident without success. CT stated, "it was her car, that she had the registration and insurance on her phone." She told me she was driving then she said she did not drive. CT could not tell me where the accident occurred. I did not observe any damage to trees or poles. The only debris i recovered was directly behind the Honda. It was a piece of the tire. I asked CT if she could get her drivers license and documents from the Honda. CT then stumbled while leaning on her car for support as she made her way to the front drivers side door. The Honda was locked, and CT appeared unable to figure out what to do. I asked if she had her car keys and she did not answer or produce the keys. At this time PO Shanahan arrived on scene. CT told me she just needed to sit down that she was cold. I asked her if she would like to sit in my patrol vehicle while she got me her documents. At this time PO Shanahan and I observed CT stumbling and swaying as she slowly tried to walk towards my vehicle. I asked CT if she had hit her head or had anything to drink tonight. CT told me she did not hit her head. CT then told me, "she drank a Fireball." but that she "did not drive her car." I asked CT who drove her car and where they went. CT just stared at me not answering.

PO Crawn arrived at this time and performed a Field Sobriety test with CT. (See PO Crawns supplement report.) CT refused to complete the test and was placed under arrest for Driving While Intoxicated. PO Neequaye arrived and placed CT in Patrol 4 and transported CT to Springfield Police HQ's where PO Crawn conducted an Alco Test on CT. (See PO Crawns supplemental report.) CT was then transported back to Millburn Police HQ's secured in the processing room and processed per Millburn Police SOP.

C&L Towing arrived and impounded the car. (See impound report.) PO Shanahan conducted a search of the surrounding streets for debris or signs of a MVA with negative results.

CT was released to the custody of her friend [Redacted: Personal identifying information] He signed the Potential Liability Form on CT's release.

My BWC was activated the entirety of the incident.
